

3RD EDITION
Cairo, Egypt

NDTX 2026

NDT QC Welding Corrosion

EXHIBITION & CONFERENCE

EXPO BROCHURE

NOVEMBER 14 - 16

The International Exhibition and Conference
on NDT, Testing Equipment, Welding Technologies,
and Corrosion Control for the Middle East and Africa.

VENUE

Egypt International Exhibition Center

Expo.ndtcorner.com

Expo by

Linking Expertise, Technology, and Industry

About NDTX

The Region's leading Asset Integrity, NDT, Welding, and Corrosion Exhibition & Conference emerged as a premier international platform driving strategic dialogue on digital transformation, bringing together leaders, innovators, and stakeholders from across sectors to engage in high-impact discussions, share insights, and catalyze cross-sector collaborations!

ASSET
INTEGRITY

NDT

WELDING

CORROSION

ONE TO ONE NETWORKING

Meet with the regional & international oil and industry players, government representatives and technology associated.

2026

HIGHLIGHTS FROM NDTX 2025

Record ATTENDANCE

Visitors & Exhibitors
from 30+ countries.

Global KNOWLEDGE EXCHANGE

100+ experts talks &
live demos

Industry COLLABORATION

Partnerships formed
between trading &
industry organizations

Technology SHOWCASE

Latest innovations in
NDT, Welding,
advanced inspection.

NDTX

Expo.ndtcorner.com

Recognition & IMPACT

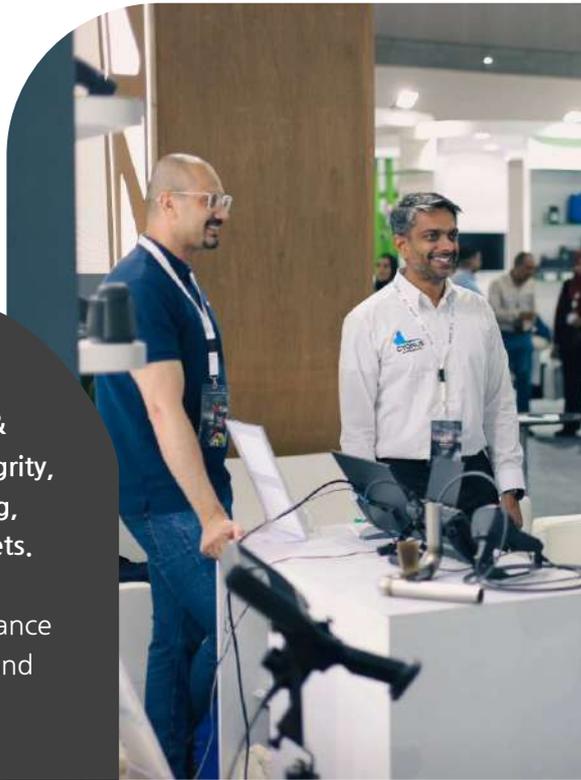

NDTX recognized as
the largest NDT
platform in MENA.

Always VISIBLE
Always CONNECTED

The leading event in Africa & Middle East NDT, Asset integrity, Industrial Inspection, Welding, and Corrosion Control markets.

Position your brand and enhance your Visibility opportunities and communicate with potential customers.

NDT X 2026 TECHNICAL CONFERENCE

Where Knowledge, Innovation, and Industry Meet.

A Global Platform for Technical Excellence

Conference Topics Include:

- Advancements in NDT & Quality Control Innovations.
- AI, Robotics, and Digital Transformation in NDT.
- Welding Technologies & Innovations.
- Asset Integrity. Corrosion Management & Predictive Maintenance.
- Sustainability, Energy Transition & Industrial Safety.

Join as a Speaker

Speak at the region's leading Industrial Inspection conference and present the paper in the technical program - submit a proposal to be part of the technical program and share your knowledge, experience, and solutions with industry colleagues from around the world.

Conference Features:

Global Speakers

Learn from industry pioneers and leading experts

Technical Papers

Access groundbreaking research and applied case studies

Panel Discussion

Engage in dynamic dialogues on challenges and innovations

Networking Opportunities

Connect with professionals and organizations worldwide

Call for Papers - Now Open!

Be part of the conversation. Share your expertise, present your research, and help shape the future of NDT, Welding, and Integrity.

Deadline of Full Paper
1 Sep. 2026

Registration is Open

Your ABSTRACT

NDT PAVILION

Where Inspection Excellence Meets Innovation

The NDT Pavilion is the dedicated zone for companies leading in non-destructive testing, inspection technologies, and asset integrity solutions.

It serves as a central hub for showcasing the latest advancements that ensure safety, reliability, and operational excellence across critical industries.

BENEFITS

- ✔ Generate Qualified Leads
- ✔ MEET NDT Professionals
- ✔ Gain regional visibility & Networking
- ✔ Present your technology directly

SHOWCASE LATEST TECHNOLOGY

WELDING PAVILION

Precision, Performance, and Progress in Welding Technologies

The Welding Pavilion brings together global and regional leaders in welding equipment, consumables, automation, and inspection. It provides a powerful platform for showcasing solutions that enhance fabrication quality, productivity, and safety.

Key Focus Areas:

- Welding Machines, Power Sources, Consumables & Accessories
- Automated and Robotic Welding Systems
- Welding Inspection, QA/QC, and Training Solutions
- Welding Simulation and Certification Programs

AT NDTX EXPO 2026?

- ✔ Meet Welding Professionals
- ✔ Generate Qualified Leads
- ✔ Industry Networking
- ✔ Present your technology directly

SHOWCASE LATEST TECHNOLOGY

CORROSION CONTROL & PREVENTION PAVILION

“Corrosion control stands at the core of asset integrity and reliability — and at NDTX Expo 2026, this pavilion unites the global corrosion community.”

FOCUS AREAS:

PROTECTION

Cathodic Protection & Monitoring Systems

COATINGS

Coatings, Paints & Surface Protection Technologies

ASSESSMENT

Corrosion Testing, Inspection & Risk Assessment

SOLUTIONS

Pipeline & Tank Corrosion Solutions

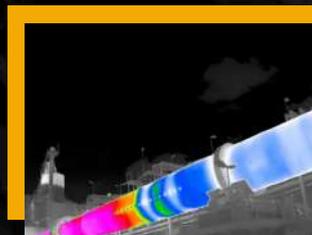

INNOVATION

Advanced Materials & Inhibitors

APPLICATIONS

Offshore, Marine, and Industrial Corrosion Applications

SHOWCASE LATEST TECHNOLOGY

NDTX FIGURES

SPECIALIZED IN

- Non Destructive Testing,
- Industrial Inspection,
- Certifications & Training,
- Asset Integrity,
- Quality Control & Assurance,
- Material & Lab Testing,
- Welding,
- Corrosion,
- Mechanical Repair, and Maintenance,
- Lifting, Underwater, Rope Access,
- Safety, and Environmental.

INDUSTRIES & SECTORS

- Oil and Gas: Production, refineries, and petrochemical.
- Aviation: Aircraft maintenance and inspection.
- Marine: Shipbuilding, repair, and maintenance.
- Manufacturing: Power, automotive, fertilizer, cement, fabrication, metal, steel, and mining industries.
- Global and Regional government bodies and industrial associations.

EXHIBITORS PROFILES

- NDT Tools Manufacturers & Suppliers,
- Asset Integrity Management Services,
- Inspection, and testing Solutions,
- Coating tech. and Solutions,
- Welding tech. and Solutions,
- Corrosion Protection,
- Safety & environmental measurements,
- Training and Qualification,
- Maintenance, and Repair.

VISITORS PROFILES

- Asset Integrity & NDT Managers,
- Government Representatives,
- Industrial Association Leaders,
- Maintenance and Repair Specialists,
- Plant Managers,
- Inspection Specialists,
- Welding & Corrosion Specialists,
- Technical service providers,
- Procurement Managers,
- Project Managers,
- QA/QC Managers,
- Field Inspectors,
- Construction Project Managers,
- R&D Project Leaders,
- Health, Safety, and Environmental (HSE) Professionals.

VISITORS & DELEGATES

Egypt, Algeria, Libya, Tunisia, Iraq, Saudi Arabia, UAE, African and Arab countries.

EXHIBITION AUDIENCE

SERVICE & MAINTENANCE

Support the maintenance and repair of the equipment thereby, enhancing their performance and uptime. They will ensure your product is safe, reliable. They are responsible for maintaining and repairing industrial processes' equipment, tools, and systems. For the longer life of the equipment, proper maintenance is required.

MECHANICAL REPAIR

Repair and maintenance are essential to mitigate corrosion, increase safety, reliability, and reduce expenses long term. Equipment maintenance is not just a must, but it is also a significant economic opportunity. When done well, companies can obtain the operational efficiency needed to navigate through volatile oil markets by extending the life of their equipment.

R & D / SCIENTISTS/ STANDARDS

They set the standards for the equipment design and technology. They are the ones whose efforts bring improvements in the equipment.

WELDING APPLICATIONS

Technological development has become linked to everything, as welding technology has developed significantly. Global manufacturers, regional and local suppliers in addition to Service providers, all of them come together in one place to deliver the latest solutions. Experience the power of diversity at NDTX and get updates on the latest Welding Technology.

MANUFACTURERS, METALLURGY & CORROSION

Equipment manufacturers, R & D professionals, or service providers, Metallurgy & Corrosion requirements is playing a significant role in such process. The manufactures play a major role in continually evolving the equipment according to the needs of the end-user and the industry.

THE EXHIBITION

UNLOCKING NEW VALUE **OPPORTUNITIES** **IN THE ASSET MANAGEMENT**

SHOWCASING

CUTTING-EDGE SOLUTIONS.

| A place to come together to share insights, and concepts, and collaborate to drive progress in Inspection, Integrity, NDT Testing, and Welding.

| Ride the transformation wave with NDTX EXPO for North Africa and the Mediterranean market in Asset Integrity, NDT, Welding, and Corrosion

| Global manufacturers, Regional, and Local suppliers in addition to Service providers, all of them come together in one place to deliver the latest solutions.

CONNECTIONS

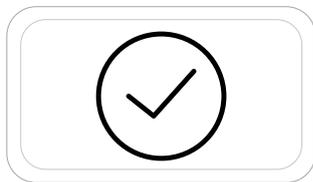

Q U A L I T Y

A regional class environment for NDT and Welding across the industry's full chain. The first physical opportunity to GENERATE qualified LEADS from the region. (Africa & ME)

Plant Managers, Procurement Managers, Asset Integrity Managers, Inspection Engineers, Government Bodies, and Industrial Associations mainly NDT heads from the whole Arab & African region, from Energy, Oil & Gas, Aviation, Marine, Power, Automotive, Fertilizer, Cement, Mining, and all industries that require NDT.

Enhance your marketing opportunities and communicate with your potential customers in the industry and oil & gas sector from both the public and private sectors in Egypt, Libya, Tunisia, Algeria, Sudan, KSA, UAE, Iraq and the connected countries!

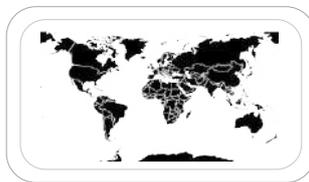

EXHIBITION FEATURES

GENERATE QUALIFIED LEADS

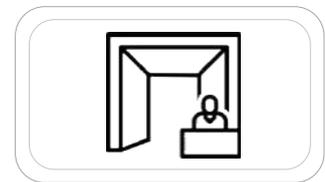

80% of the attendance are either a decision maker, purchaser, or an influencer.

The NDTX Expo provides a regional class environment for trade across the industry's full value chain.

GLOBAL PERSPECTIVE

More than +100 exhibiting companies and +30 global, Arabian, and African countries and an audience of over 10,000 from 500 organizations. NDTX attracts real buying power from around the MENA Region.

AI & INDUSTRY ZONE

At the exhibit hall, NDTX will build a digitalization and smart Industrial NDT, Inspection, and Welding Technologies zone, providing a platform for new opportunities across the full spectrum of the asset integrity advanced Solutions.
